Area Median Income means the most recently published median income for the Area adjusted for household size as determined by HUD. If HUD discontinues publication of Area Median Income, the income statistics used by MassHousing for its low and moderate income housing programs shall apply.

Base Income Number means the Area Median Income for a four (4)-person household.

Chief Executive Officer shall mean the Mayor in a city or the Board of Selectmen in a town unless some other municipal office is designated to be the chief executive officer under the provisions of a local charter.

Closing shall have the meaning set forth in Section 5(b) hereof.

Conveyance Notice shall have the meaning set forth in Section 4(a) hereof.

Eligible Purchaser means an individual or household earning no more than eighty percent (80%) of Area Median Income (or, if checked [ ] percent (___%) of Area Median Income, as required by the Program) and owning assets not in excess of the limit set forth in the Program Guidelines. To be considered an Eligible Purchaser, the individual or household must intend to occupy and thereafter must occupy the Property as his, her or their principal residence and must provide to the Monitoring Agent such certifications as to income, assets and residency as the Monitoring Agent may require to determine eligibility as an Eligible Purchaser. An Eligible Purchaser shall be a First-Time Homebuyer if required by the Program and as specified in the Regulatory Agreement.

First-Time Homebuyer means an individual or household, of which no household member has had an ownership interest in a principal residence at any time during the three (3)-year period prior to the date of qualification as an Eligible Purchaser, except that (i) any individual who is a displaced homemaker (as may be defined by DHCD) (ii) any individual age 55 or over (applying for age 55 or over housing) shall not be excluded from consideration as a First-Time Homebuyer under this definition on the basis that the individual, owned a home or had an ownership interest in a principal residence at any time during the three (3)-year period.

FHA (GSE) Notice shall have the meaning set forth in Section 7(a) hereof.

HUD means the United States Department of Housing and Urban Development.

Ineligible Purchaser means an individual or household not meeting the requirements to be eligible as an Eligible Purchaser.

Maximum Resale Price means the sum of (i) the Base Income Number (at the time of resale) multiplied by the Resale Price Multiplier, plus (ii) the Resale Fee and any necessary marketing expenses (including broker’s fees) as may have been approved by the Monitoring Agent, plus (iii) Approved Capital Improvements, if any (the original cost of which shall have been discounted over time, as calculated by the Monitoring Agent), provided that in no event shall the Maximum Resale Price be greater than the purchase price for which a credit-worthy Eligible Purchaser earning seventy percent (70%) of the Area Median Income (or, if checked [ ] percent (___%) of Area Median Income, as required by the Program) for an Appropriate Size Household could obtain mortgage financing (as such purchase price is determined by the Monitoring Agent using the same methodology then used by DHCD for its Local Initiative Program or similar comprehensive credit program), and further provided that the Maximum Resale Price shall not be less than the purchase price paid for the Property by the Owner unless the Owner agrees to accept a lesser price.

Monitoring Services Agreement means any Monitoring Services Agreement for monitoring and enforcement of this Deed Rider among some or all of the Developer, the Monitoring Agent, the Municipality, MassHousing and DHCD.

Mortgage Satisfaction Amount shall have the meaning set forth in Section 7(b) hereof.

Mortgagee shall have the meaning set forth in Section 7(a) hereof.

Program Guidelines means the regulations and/or guidelines issued for the applicable Program and controlling its operations, as amended from time to time.

Resale Fee means a fee of 2% of the Base Income Number (at the time of resale) multiplied by the Resale Price Multiplier, to be paid to the Monitoring Agent as compensation for monitoring and enforcing compliance with the terms of this Deed Rider, including the supervision of the resale process.

Resale Price Certificate means the certificate issued as may be specified in the Regulatory Agreement and recorded with the first deed of the Property from the Developer, or the subsequent certificate (if any) issued as may be specified in the Regulatory Agreement, which sets forth the Resale Price Multiplier to be applied on the Owner’s sale of the Property, as provided herein, for so long as the restrictions set forth herein continue. In the absence of contrary specification in the Regulatory Agreement the Monitoring Agent shall issue the certificate.

Resale Price Multiplier means the number calculated by dividing the Property’s initial sale price by the Base Income Number at the time of the initial sale from the Developer to the first Eligible Purchaser. The Resale Price Multiplier will be multiplied by the Base Income Number at the time of the Owner’s resale of the Property to determine the Maximum Resale Price on such conveyance subject to adjustment for the Resale Fee, marketing expenses and Approved Capital Improvements. In the event that the purchase price paid for the Property by the Owner includes such an adjustment a new Resale Price Multiplier will be recalculated by the Monitoring Agent by dividing the purchase price so paid by the Base Income Number at the time of such purchase, and a new Resale Price Certificate will be issued and recorded reflecting the new Resale Price Multiplier. A Resale Price Multiplier of ___________ is hereby assigned to the Property.
and a new Resale Price Certificate will be issued and recorded reflecting the new Resale Price Multiplier. A Resale Price Multiplier of ____________ is hereby assigned to the Property.

Term means in perpetuity, unless earlier terminated by (i) the termination of the term of affordability set forth in the Regulatory Agreement or Comprehensive Permit, whichever is longer; or (ii) the recording of a Compliance Certificate and a new Deed Rider executed by the purchaser in form and substance substantially identical to this Deed Rider establishing a new term.

2. Owner-Occupancy/Principal Residence. The Property shall be occupied and used by the Owner’s household exclusively as his, her or their principal residence. Any use of the Property or activity thereon which is inconsistent with such exclusive residential use is expressly prohibited.

3. Restrictions Against Leasing, Refinancing and Junior Encumbrances. The Property shall not be leased, rented, refinanced, encumbered (voluntarily or otherwise) or mortgaged without the prior written consent of the Monitoring Agent, provided that this provision shall not apply to a first mortgage granted on the date hereof in connection with this conveyance from Grantor to Owner securing indebtedness not greater than one hundred percent (100%) of the purchase price. Any rents, profits, or proceeds from any transaction described in the preceding sentence which transaction has not received the requisite written consent of the Monitoring Agent shall be paid upon demand by Owner to the Municipality for deposit to its Affordable Housing Fund. The Monitoring Agent or Municipality may institute proceedings to recover such rents, profits or proceeds, and costs of collection, including attorneys’ fees. Upon recovery, after payment of costs, the balance shall be paid to the Municipality for deposit to its Affordable Housing Fund. In the event that the Monitoring Agent consents for good cause to any such lease, refinancing, encumbrance or mortgage, it shall be a condition to such consent that all rents, profits or proceeds from such transaction, which exceed the actual carrying costs of the Property as determined by the Monitoring Agent, shall be paid to the Municipality for deposit to its Affordable Housing Fund.

4. Options to Purchase. (a) When the Owner or any successor in title to the Owner shall desire to sell, dispose of or otherwise convey the Property, or any portion thereof, the Owner shall notify the Monitoring Agent and the Municipality in writing of the Owner’s intention so to convey the Property (the “Conveyance Notice”). Upon receipt of the Conveyance Notice, the Monitoring Agent shall (i) calculate the Maximum Resale Price which the Owner may receive on the sale of the Property based upon the Base Income Number in effect as of the date of the Conveyance Notice and the Resale Price Multiplier set forth in the most recently recorded Resale Price Certificate together with permissible adjustments for the Resale Fee, marketing expenses and Approved Capital Improvements (as discounted), and (ii) promptly begin marketing efforts. The Owner shall fully cooperate with the Monitoring Agent’s efforts to locate an Eligible Purchaser and, if so requested by the Monitoring Agent, shall hire a broker selected by the Monitoring Agent to assist in locating an Eligible Purchaser ready, willing and able to purchase the Property at the Maximum Resale Price after entering a purchase and sale
Refinance
Resale
Capital Improvements
Important things to remember for refinance and resale:

- Contact your monitoring agent to let them know that you want to refinance or sell your home

- Make sure you understand the process — monitoring agent must approve refinance before you close — can take up to 2 weeks; monitoring agent will locate an eligible buyer to purchase your home — can take several months

- The current value of your home is based on the formula in your deed rider — you cannot refinance above 97% of the restricted value; your resale price will be calculated by the monitoring agent
The Deed Rider Parameters

- State deed riders standardized in 2006 to use Resale Price Multiplier methodology
  - \( RPM = \frac{\text{Sales Price}}{100\% \ AMI} \) (for HH of 4)
- Older riders and local riders use different methods, Discount rate method is most common
  - Discount rate = Affordable sales price/Market appraisal
- Initial sales price calculated so it is affordable to a household earning 70% of the AMI, using DHCD calculator
  - Housing costs not to exceed 30% of gross income
Income Limits

- Extr Low = 30% AMI, Very Low = 50% AMI, Low = 80% AMI
- Affordability level found in rider
  - Income limit of buyer might be different from income limit used in valuation

See: HUD Income Limits, 2023
Value/Maximum Resale Price (2007+): Interplay of three values

- The base income number (100% AMI for a HH of 4) multiplied by the Resale Price Multiplier, plus the Resale Fee (Calculated Price)
- provided that in no event shall the Maximum Resale Price be greater than the purchase price for which a credit-worthy Eligible Purchaser earning seventy percent (70%) of the Area Median Income for an Appropriate Size Household could obtain mortgage financing using the calculator used by DHCD for its Local Initiative Program (Continued Affordability = Ceiling)
- and further provided that the Maximum Resale Price shall not be less than the purchase price paid for the Property by the Owner unless the Owner agrees to accept a lesser price (Purchase Price = Floor)
Discount Rate or other units

- Review rider for methodology
  - Discount Rate
  - Purchase price floor, Continued affordability ceiling
- Apply the discount rate to the market value
- Ensure price is still affordable
What is the process for obtaining refinance approval from the monitoring agent?

- Owner must provide the following:
  - Request to refinance in writing, including reason for refinance
  - Completed Refinance Request Form
  - Mortgage commitment letter

- RHSO office can facilitate approval from the Town and the monitoring agent
What happens after I inform the monitoring agent that I would like to sell my home?

- The monitoring agent will send a letter that states:
  - The sale price of your home – seller will receive majority and small percentage will be resale fee
  - Who will be locating the eligible buyer
- Usually, there will be a short marketing period followed by a lottery to locate an eligible buyer
- Once a buyer is identified, seller is responsible to hire an attorney to draft a P&S agreement
Capital Improvements

- Affordable homeowners can renovate their homes, but must keep the following in mind:
  - You must always obtain Town permits when required
  - If you live in a condo, confirm that renovations comply with condo association rules
  - If you want the value of your renovation to be added to the value of your home, ask for approval of the monitoring agent
When can the value of an improvement be added to the value/resale price of my home?

- In general, only the value of necessary improvements – i.e. roof, boiler, water heater – will be approved as capital improvements.
- If your condo association is requiring a repair/renovation, it will likely qualify as a necessary capital improvement.
- Submit invoices to monitoring agent and they will approve and provide a depreciation schedule.
- Other types of improvements are allowed – i.e. finishing a basement, installing an exterior fence – but will not add value to your home because they are not deemed necessary, but for your enjoyment.
Property Maintenance and Capital Improvements
