NOTICE OF DECISION
COMPREHENSIVE PERMIT
GREATER WORCESTER HABITAT FOR HUMANITY, INC.
DUTTON AND PRATT'S MILL ROAD
SUDBURY, MA
ZONING BOARD OF APPEALS CASE NUMBER 08-21
JULY 14, 2008

08 JUL 15 PM 4:38
TOWN CLERK
SUDBURY, MASS

I. Background

The Sudbury Zoning Board of Appeals (the "Board") received an application for a Comprehensive Permit under Massachusetts General Laws Chapter 40B, Sections 20-23 and the regulations promulgated thereunder, as amended from time to time, from Habitat for Humanity; Metrowest- Greater Worcester, Inc., dba Greater Worcester Habitat for Humanity, Inc. (the "Applicant") on May 21, 2008 to construct one duplex dwelling including two (2) Affordable Units, on approximately .43 acres of land located at the corner of Dutton and Pratt's Mill Road. Said Property is within the A-1 Residential Zoning District, and is identified as Parcel 0006 on Town Assessor's Map G05 (the "Property"). The Property is owned by the Sudbury Housing Trust.

44650/360

The application was filed by the Applicant and notice as required by law was given to all entitled to receive such notice.

The Applicant submitted evidence establishing that it is a qualified Applicant eligible to apply for a Comprehensive Permit pursuant to 760 CMR 31.01 in that:

- a) It is a non-profit corporation eligible to obtain a Comprehensive Permit pursuant to M.G.L. c.40B;
- b) It has an executed Purchase and Sale Agreement to purchase the Property; and
- c) It has received a Determination of Site Eligibility under the Local Initiative Program from the MA Department of Housing and Community Development (DHCD) dated May 6, 2008.

The Board convened the public hearing on this application on June 16, 2008. The public hearing was continued to July 14, 2008, and closed on July 14, 2008. Sitting as members of the Board and present throughout the hearing were Elizabeth A. Taylor, Acting Chairman; Nancy G. Rubenstein, Clerk; Jeffrey P. Klofft; Jonathan G. Gossels; and Stephen A. Garanin.

The Board has considered the recommendations of the boards and committees of the Town of

Dutton + Pratt's Mill Road, Sudbury

Sudbury regarding the Sudbury Bylaws, and finds that reasonable conditions relative to these regulations have been incorporated herein.

In reviewing the application of Greater Worcester Habitat for Humanity, as well as evidence presented in written or oral form by citizens and Town Boards and departments during the course of the public hearing, the Board has determined that the Town of Sudbury does not meet the statutory criteria for availability of low and moderate income housing, as those units currently in existence constitute less than 10% of the year round housing units in the Town and are on sites which comprise less than the minimum land area necessary as defined in 760 CMR 31.04. The Board has further determined that the allowance of this application will not result in the commencement of construction of low or moderate income housing units on a site comprising more than the minimum land area necessary and as defined in 760 CMR 31.04. The Board also finds that the Project as proposed in the application, as described during the public hearing and as modified by the attached conditions, is consistent with local needs within the meaning of Massachusetts General Laws, Chapter 40B, Sections 20-23 and that it is consistent with the character of the zoning district. Finally, the Board notes that the Applicant has presented evidence of site control in its application, and evidence of Site Eligibility from DHCD in a letter dated May 6, 2008.

Therefore, the Board finds that there is compelling evidence to support the granting of a Comprehensive Permit (the "Permit") to enable the construction of the Project described in the application and during the public hearing, subject to all of the following terms and conditions, all of which are binding upon the Applicant as conditions of this Permit.
