Unless otherwise defined herein, all capitalized terms used herein shall have the meaning given such terms in the First Mortgage, or in any applicable Subsidy Contracts as defined in the First Mortgage. As used in this Agreement the terms, "Adjusted Rental," "Below-Market Rental," "Housing Subsidy Programs," "Market Rental" and "Rentals" shall have the same meaning as in Section 6 of the Act and the Rental Determination Regulations adopted by the Agency on May 12, 1998, as the same may be amended from time to time, and any policy determinations promulgated thereunder (said Regulations and policy determinations are herein called the "Rent Regulations"), and the term "annual income" shall have the same meaning as in Section 1(e) of the Act. Also, as used in this Agreement, the term "Mortgages" shall mean, collectively, the First Mortgage, the Bridge Mortgage and the 13A Mortgage; and the term "Notes" shall mean, collectively, (i) the First Mortgage Note, the Bridge Mortgage Note and the 13A Note.

Reference herein to the "Sponsor Financing" shall mean the financing originally provided by The Community Builders, Inc., a Massachusetts nonprofit corporation (the "Sponsor") to Seller, evidenced and secured by a promissory note in the original principal amount of **\$790,468.00**, and a mortgage, both dated as of December 17, 2010, from Seller to Sponsor, and assigned to Borrower as of the date hereof. Such note and mortgage and any other instrument(s) between Borrower and Seller or from Borrower to Seller relating to such Seller Financing are referred to collectively as the "Seller Financing Loan Documents."

RENTALS AND RENTS

2. (a) The Borrower shall rent units within the Development during the term hereof to low-income persons or families as defined in and upon the terms and conditions as set forth in the

Residential Compliance Agreement, dated as of the date hereof (the "Compliance Agreement"), between the Borrower and the Agency, and otherwise in accordance with the terms and provisions hereof, including any Rider attached hereto. For the purposes hereof, low-income persons and families subject to the foregoing restrictions are herein referred to as "Low-Income Persons or Families". In fulfilling the foregoing requirement, Borrower will accept referrals of tenants from the Public Housing Authority in the city or town in which the Development is located, and will not unreasonably refuse occupancy to any prospective tenants so referred subject to the procedures described in Borrower's Tenant Selection Plan, as approved by the Agency. The foregoing provisions shall not relieve Borrower of any obligations it may have under the provisions of other documents and instruments it has entered with respect to any applicable Housing Subsidy Program.

(b) Rentals in the Development shall be established as shown on the Rental Schedule attached as Appendix A hereto subject to change from time to time in accordance with: the terms and provisions hereof; the provisions contained in the Rent Regulations, as amended from time to time; the terms and provisions of the Compliance Agreement; and any applicable Housing Subsidy Program. The Rent Regulations are incorporated herein by reference with the same force and effect as if set out in the full text of this Agreement and Borrower hereby acknowledges receipt thereof.

(c) Borrower shall obtain income certifications satisfactory in form and manner to the Agency at least every two (2) years for all tenants who are Low-Income Persons or Families ("Low Income Tenants"), or more frequently if required by the Compliance Agreement or any applicable Housing Subsidy Program. Said income certifications shall be kept by the Management Agent and made available to the Agency upon request.

(d) Notwithstanding anything to the contrary set forth herein, for the first three (3) years following the date of this Agreement, rentals for Low Income Tenants residing in the Development as of the date of this Agreement in units previously supported by Section 13A subsidy and/or receiving rental assistance under the Massachusetts Rental Voucher Program (MRVP) shall not be increased annually by more than the increase in the consumer price index applicable to the area in which the Development is located plus three percent (3%), and may not exceed forty percent (40%) of Low Income Tenant's household income, as implemented in accordance with the rent increase phase-in plan dated July 7, 2015, submitted by the Borrower and approved by the Agency.

TENANT SELECTION AND OCCUPANCY

3. Borrower shall use its best efforts during the term of this Agreement to maintain the Development at full occupancy, provided that Borrower shall comply with applicable Housing Subsidy Programs and other legal restrictions affecting the Development. Borrower shall comply with Borrower's Tenant Selection Plan, as approved by the Agency. The Borrower's Tenant Selection Plan, as approved by the Agency is incorporated herein by reference with the same force and effect as if set out in full text in this Agreement.

4. All occupancy agreements shall be expressly subordinated to the Mortgages. With respect to units not required hereunder or under the Compliance Agreement to be rented at Adjusted Rentals ("Restricted Units"), Borrower may use a residency agreement or lease form published by the Greater Boston Real Estate Board or other reasonably equivalent form. Occupancy agreements for Restricted

Units shall be in a form approved by the Agency, subject to any requirements of any applicable Housing Subsidy Program, and, unless otherwise approved by the Agency, shall contain clauses, among others, wherein each resident of such units:

- (a) certifies the accuracy of the statements made in the application and income survey;
- (b) agrees that the family income, family composition and other eligibility requirements, shall be deemed substantial and material obligations of his occupancy; that he or she will comply promptly with all requests for information with respect thereto from Borrower or the Agency; and that his or her failure or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of his occupancy; and
- (c) agrees that at such time as Borrower or the Agency may direct, he or she will furnish to Borrower certification of then current family income, with such documentation as the Agency shall require; and agrees to such charges as the Agency has previously approved for any facilities and/or services which may be furnished by Borrower or others to such resident upon his or her request, in addition to the facilities and services, if any, included in the Rentals, as amended from time to time pursuant to Section 2 above.

LOAN PREPAYMENT - TENANT PROTECTIONS

5. (a) Borrower shall deliver a written notice to all Low Income Tenants of its election to prepay the last of the Notes that then remains outstanding in full prior to the maturity thereof (the "Prepayment Notice") at the same time that it shall provide such notice to the Agency as required by the Notes or Note, as applicable (as used in this Section 5, the "Note"). The Prepayment Notice shall inform all Low Income Tenants of the tenant protections described in this Section 5.

(b) For a period of one year after the date of prepayment ("Year 1")(the date of prepayment is hereinafter referred to as the "Prepayment Date"), as permitted by the terms of the Note, Borrower may not increase the Rentals payable by any tenant who is a Low-Income Person or Family on the Prepayment Date (a "Protected Low-Income Tenant"), except for Rental increases which would have been permitted by the terms and provisions of the applicable Housing Subsidy Program or the Agency's Rent Regulations if such prepayment had not occurred.

(c) For a period of two years after Year 1 ("CPI Index Period"), the Rentals for units occupied by Protected Low-Income Tenants may not be increased more than once annually by the greater of: (i) the consumer price index (applicable to the area in which the Development is located) times the Adjusted Rental in effect as of the Prepayment Date; or (ii) such higher amount as the Agency shall approve. In no event may Borrower increase Rentals for such units in excess of any limitations contained in a Housing Subsidy Program, which remains in effect after the Prepayment Date.

(d) For three years after CPI Index Period (the "Transition Period"), Borrower shall provide Relocation Assistance, as defined herein, for any Protected Low-Income Tenant who voluntarily terminates his or her lease during the Transition Period as a result of Rental increases. For the purposes hereof, the term "Relocation Assistance" shall mean reasonable assistance in

locating a comparable affordable unit, including the payment of any broker's fees and the payment of reasonable moving expenses within a thirty (30) mile radius of the Development.

(e) Upon prepayment, Borrower agrees to continue to use the form of occupancy agreement for all Protected Low-Income Tenants until the expiration of the periods described in (b) and (c), above. Thereafter, Borrower may require that all Protected Low-Income Tenants enter into the lease form used for tenants in the market-rental units or a lease substantially in the form published by the Greater Boston Real Estate Board, provided that any new occupancy agreement shall provide the Protected Low-Income Tenants with the benefits of subsection (d), above.

(f) The provisions of this Section 5 shall survive the termination of any other provisions of this Agreement as a result of prepayment of the Note until the expiration of the periods described in subsections (b), (c), and (d), above.

(g) Protected Low-Income Tenants shall have a right to enforce the protections provided them in this Section 5.

USE OF DEVELOPMENT REVENUES

6. (a) All Rentals, income, and other receipts derived from the Development (herein, "Development Revenues") shall, if not held by the Agency in one of its accounts, be deposited in the name of Borrower or a nominee for Borrower in a bank or banks, whose deposits are insured by the Federal Deposit Insurance Corporation or otherwise deposited in funds and accounts established hereunder. The Agency shall at all times be advised of the names of the accounts and the names of the banks. Development Revenues shall be used only in accordance with the provisions of this Agreement. Any person receiving funds of the Development other than as permitted by the Contract Documents shall immediately deposit such funds in a Development bank account, or if failing to do so in violation of this Agreement, shall hold such funds in trust for the Development.

(b) Except as provided in Section 7(f) below, the Agency agrees that during the term of the Mortgages and until all Obligations have been repaid in full, all development reserves, escrows and accounts will be Borrower's sole property, but shall be subject to the Contract Documents, Agency rules, regulations, controls and escrow arrangements. In an Event of Default under the Mortgages, the Agency may, pursuant to the terms and provisions thereof, apply or authorize the application of any and all Development Revenues, including any balances, funds or accounts hereunder, for the purposes provided in Sections 22 ("Acceleration of Debt") and 23 ("Additional Rights of Lender") of the Mortgages.

(c) Borrower shall apply Development Revenues in the following order of priority: (i) payment of or adequate reserve for all sums due or currently required to be paid under the terms of the Notes and the Contract Documents (collectively, "Mortgage Debt"); (ii) payment of or adequate reserve for all reasonable and necessary expenses of the Development as identified in Subsection (d), below; (iii) deposit of all amounts required to be deposited in the Replacement Reserve (as hereinafter defined); and (iv) payments of operating expense loans made by the partners, managers or members of Borrower for Development expenses, provided that Borrower shall have obtained prior

written Agency approval for such loans and shall have supplied the Agency with such evidence as the Agency may reasonably request as to the application of the proceeds of such operating expense loans to Development expenses. Any amounts remaining after application of Development Revenue as provided above shall be applied as provided in Section 7 below.

(d) With respect to the application of Development Revenues as described above, Borrower agrees as follows:

(i) Payment for services, supplies, or materials shall not exceed the amount ordinarily and reasonably paid for such services, supplies, or materials in the area where the services are rendered or the supplies or materials furnished;

(ii) Payment for any capital items shall be made or reimbursed only from the Replacement Reserve (as hereinafter defined), unless otherwise approved by the Agency;

(iii) Reasonable and necessary expenses which may be payable pursuant to subsection 6(c)(ii), above, shall be directly related to the operation, maintenance or management of the Development; and

(iv) Without the Agency's prior written consent, Borrower may not assign, transfer, create a security interest in, dispose of, or encumber any Development Revenues except as expressly permitted herein and any such assignment, transfer, security interest, disposition, or encumbrance made in violation of this provision shall be void.

(e) In developing and operating the Development, Borrower shall not incur any liability, either direct or contingent, out of the ordinary course of business.

(f) All amounts payable from Development Revenues to any partner (general or limited), manager, managing member or other member (as applicable) of Borrower, or to any affiliate of any of the foregoing, under the Borrower's partnership or operating agreement (as applicable), or under any partnership or operating agreement of any partner, manager, managing member or other member (as applicable) of Borrower, shall be payable solely from amounts available as distributions under Section 7 hereof; provided, however, that the foregoing provision shall not apply to any management fees payable under a management contract approved by the Agency under Section 9 hereof.

(g) Any (i) fees or other amounts payable under the Development Agreement (as defined in the Development Fund Agreement of contemporaneous date herewith between Borrower and the Agency); (ii) amounts payable under the Sponsor Financing Loan Documents; and (iii) amounts payable under the Seller Financing Loan Documents, shall be deemed a distribution under and shall be payable solely from amounts available for distributions pursuant to Section 7 hereof.

DISTRIBUTIONS

7. (a) Distributions may be made: (i) only at the end of the Development's fiscal year; and (ii) only once all currently payable amounts as identified in Section 6 (c) above are paid as evidenced by a certificate provided by an independent accountant indicating that no such obligations are more

than thirty (30) days past due. Except with the prior written authorization of the Agency, distributions cannot be derived or made from borrowed funds or from the sale of capital assets.

(b) No distributions may be made when: (i) an default has occurred and is continuing under any Contract Document or some event has occurred that, with the passage of time, would become an Event of Default under any Contract Document; (ii) when there has been failure to comply with the Agency's notice of any reasonable requirement for proper maintenance of the Development; or (iii) when there is outstanding against all or any part of the Mortgaged Property any lien or security interest on the Development assets other than a lien securing the Mortgage Debt under the Contract Documents or a lien expressly permitted under the Contract Documents. In an Event of Default under the Mortgages, the Agency may apply any amounts available for distribution to the payment of any Obligations as defined in the Mortgages.

(c) Subject to the provisions set forth above, distributions may be made to Borrower, provided that no distribution for any fiscal year may exceed that percentage of Borrower's Equity (as hereinafter defined) in the Development, which from time to time is permitted under the Act, and which, at the time of execution hereof, is ten percent (10%). The ten percent (10%) standard shall apply throughout the term hereof, except that if the Agency establishes a higher rate at a later date as permitted by the Act, Borrower may increase its equity distribution to the then permitted rate of distribution, subject to conditions established by the Agency in accordance with its Equity Policy or other policies or regulations with respect thereto (herein, the "Agency's Equity Policies").

(d) For the purposes hereof and in accordance with Section 5(d) of the Act, the amount of "Borrower's Equity" shall be as set forth on the first page of this Agreement. Borrower shall be allowed to adjust the amount of the Borrower's Equity, subject to the Act and such terms and conditions as set forth in the Agency's Equity Policies.

(e) In the event that amounts available for distribution in a fiscal year exceed the distributions permitted for such fiscal year pursuant to Section 7(c) above, the amount of any such excess may be applied to pay, without interest, the amount by which distributions made in any of the three preceding fiscal years were less than the amount permitted to be paid under Section 7(c) hereof for such fiscal years, subject to the provisions of subsections (a) through (c) above.

(f) Any amounts available for distribution which may not be distributed in any year pursuant to the provisions of Section 7(c) above ("Excess Equity"), shall be deposited in an interest bearing account established by the Agency hereunder pursuant to Section 6(c) of the Act (the "Excess Equity Account") and maintained by the Agency in trust for the benefit of the Development during the term hereof. No distributions may be made to Borrower from the Excess Equity Account, except those permitted pursuant to Section 7(e) hereof. Upon the occurrence of an Event of Default under the Mortgages, the Agency may apply any amounts in the Excess Equity Account to the payment of any Obligations as defined in the Mortgages. Upon Borrower's request, amounts may also be withdrawn from the Excess Equity Account by the Agency during the term hereof and applied to any purpose described in Section 6(c)(i)-(iv) hereof or for any purposes for which amounts in the Replacement Reserve (as hereinafter defined) may be applied, subject to a determination by the Agency that the expenditure is necessary to address the Development's physical or financial needs and that no other funds are available to address such needs. Upon the maturity or authorized

prepayment of the last of the Notes to remain outstanding, the Agency, upon the request of the Borrower, may in its sole discretion make amounts available from the Excess Equity Account to: extend the affordability of units available to Low-Income Persons and Families; to reduce Rentals to Low-Income Persons and Families; or to provide relocation and transitional assistance to Low-Income Persons and Families. Upon the expiration of the term hereof, any balance remaining in the Excess Equity Account shall become the Agency's funds free from any restrictions contained herein and may be used by the Agency for any of its purposes under the Act.

(g) Borrower shall comply with the provisions of any applicable Housing Subsidy Program with respect to the application of Rentals, including the creation and maintenance of "excess rental" or similar accounts. The provisions of this Section 7 shall be subject to the requirements of any such Housing Subsidy Program and the provisions of any applicable regulations of the Agency with respect thereto.

REPLACEMENT RESERVE

8. (a) Borrower shall establish and maintain a reserve fund for replacements (the "Replacement Reserve") in an escrow account controlled by the Agency, with an initial balance as of the date on which the First Mortgage Loan shall close of not less than the amount set forth on the first page of this Agreement, and initial funding in an amount per month as set forth on the first page of this Agreement, commencing the first day of the month following the month in which the First Mortgage Loan shall close, or such later date as approved by the Agency. Borrower hereby agrees that the replacement reserve amount specified above shall be increased each year by **three percent (3%)** per annum. The replacement reserve amount may be further adjusted by the Agency from time to time based on a capital needs assessment, which shall be completed at Borrower's expense. The interest earned on the account shall remain in the Replacement Reserve for the benefit of the Development.

(b) Disbursements from the Replacement Reserve may be made only after receiving prior consent in writing from the Agency, which consent will not be unreasonably withheld.

MANAGEMENT OF THE DEVELOPMENT

9. (a) Borrower shall maintain the Development in good physical and financial condition in accordance with the Agency's requirements and standards and the requirements and standards of any applicable Housing Subsidy Program. Borrower shall provide for the management of the Development in a manner reasonably satisfactory to the Agency and consistent with accepted practices and industry standards for the management of multi-family market rate rental housing. Furthermore, Borrower shall at all times use its best efforts to ensure that all management services are performed as efficiently and effectively as possible in a manner that, consistent with the requirements of any applicable Housing Subsidy Program, maximizes the Development's "Net Operating Income," as such term is defined by the Agency, provided that nothing herein shall require Borrower to fail to provide necessary resident services or to compromise the physical integrity and long term viability of the Development.

(b) Borrower must execute a management contract substantially in the form prescribed by

the Agency and subject to the Agency's prior written approval. Borrower shall not enter into any management contract other than as approved by the Agency. Any management contract entered into by Borrower shall contain a provision that it shall be subject to termination, without penalty and with or without cause, upon thirty (30) days notice by Borrower if such termination is requested by the Agency and be terminable immediately by the Agency if Borrower fails to implement such request by the Agency. Upon receipt of such request or notice of termination, Borrower shall immediately make arrangements reasonably satisfactory to the Agency for continuing proper management of the Development. Any Event of Default under the Contract Documents shall be cause for termination of the management contract by the Agency.

(c) Failure by Borrower to terminate the management contract pursuant to this section shall be an Event of Default under the Contract Documents. In the event that, subsequent to thirty (30) days after the termination of the management contract by Borrower (whether or not such termination is pursuant to the provisions of this section), Borrower has not made arrangements reasonably satisfactory to the Agency for continuing proper management of the Development, the Agency shall have the right to designate a new management agent for the Development.

LIMITED LIABILITY

10. This Agreement incorporates by reference the limited recourse provisions contained in the Mortgages.

CHANGE IN COMPOSITION OF OWNER ENTITY

11. (a) The following actions shall be subject to the Agency's prior written approval given in accordance with the Transfer of Ownership Policy adopted by its Board of Directors at its August 14, 2007 meeting (the "Transfer Policy"):

- (i) Level One Transfer: A Property Transfer or a Transfer resulting in a Change in Control of either the Borrower or a Controlling Entity.
- (ii) Level Two Transfer: Either:
 - (A) a Transfer (or series of Transfers occurring within any period of thirty-six (36) consecutive months, beginning on or after the date of the initial financing or later refinancing of the Mortgaged Property by the Agency) of Ownership Interests, which (1) results in an aggregate change (directly or through one or more Intermediaries) of more than forty-nine percent (49%) of the Ownership Interests in the Borrower (excluding from such calculation any Transfer to a Qualified Principal), and (2) does not constitute an Exempt Transfer or result in a Change in Control of the Borrower; or
 - (B) a Transfer (or series of Transfers) of Ownership Interests in a Controlling Entity which (1) results in an aggregate change (directly or through one or more Intermediaries) of more than forty-nine percent (49%) of the Ownership Interests in the Controlling Entity (excluding from such calculation any

Transfer to a Qualified Principal) and (2) does not constitute an Exempt Transfer or a Change in Control of the Controlling Entity.

(b) Any Transfer that is an Exempt Transfer or an Unregulated Transfer in accordance with the Transfer Policy shall not require the written approval of the Agency ; provided, that (i) prior to any such Transfer, Borrower shall have submitted to the Agency written notice of such proposed Transfer and shall have obtained HUD 2530 clearance, if required by HUD; and further provided that (ii) a Transfer by the Equity Investor of its interest to an affiliate of Equity Investor shall be deemed to be an Exempt Transfer. The Partnership Agreement may be amended to reflect such an Exempt Transfer without the Agency's consent.

(c) In connection with any Transfer of a limited partnership interest in the Borrower that is either a Level One Transfer or a Level Two Transfer, as approved by the Agency, such transfer may provide for the transfer of or designation of a special limited partner within the Borrower.

(d) Borrower agrees that in the event of retirement, death or mental incapacity of a general partner, manager or member, the business of Borrower will be continued by the remaining general partners, managers, or members, or with such additional general partners, managers or members as approved by the Agency.

(e) Notwithstanding any provision to the contrary contained herein, until the earlier of (i) the date on which the Bridge Mortgage Loan has been fully repaid and all other obligations under the Bridge Mortgage Note and Bridge Mortgage and all other documents evidencing or securing the Bridge Mortgage Loan have been satisfied, or (ii) all Capital Contributions payable by the Equity Investor, as such terms are defined in, and in accordance with the terms of, the Development Fund Agreement of contemporaneous date herewith between Borrower and the Agency, any proposed Transfer affecting the Equity Investor shall require the written approval of the Agency, Borrower acknowledging the Agency's requirement that the Equity Investor, or its controlling parent, member or other affiliate controlling or controlled by the Equity Investor, must meet or exceed minimum investment grade ratings of "Baa" (Moody's) and/or "BBB" (Standard & Poor's) and/or submit to the Agency evidence of investment funds held in escrow in favor of the Agency on terms and in amounts acceptable to the Agency.

(f) All consents and approvals for any Transfer or Property Transfer (including any Exempt Transfer or Unregulated Transfer) that may be required from the United States Department of Housing and Urban Development ("HUD") (including, without limitation, any 2530 clearance required by HUD) and/or under any subsidy contract then in effect with the federal government, The Commonwealth of Massachusetts or any other entity for the benefit of the Development or the tenants in the Development must be obtained, and copies thereof delivered to the Agency, prior to (and as a condition of) such Transfer or Property Transfer.

(g) All capitalized terms in this Section 11, unless otherwise defined herein, shall have the meaning given such terms in Appendix C hereto.

12. A Transfer by Boston Capital Corporate Tax Credit Fund XL, A Limited Partnership, a Massachusetts limited partnership (the "Equity Investor") of its interest to an affiliate of the Equity

It is expressly acknowledged and agreed that, for purposes of the Transfer Policy, any exercise by BCCC, Inc., a Massachusetts corporation, or its successors as permitted hereby (the "Special Member") of the Special Member's rights under the Operating Agreement to become an additional managing member or replacement managing member shall be deemed an Exempt Transfer, provided that, at the time of such Transfer, the party exercising such rights (1) does not have any Change in Control (as defined in the Transfer Policy), and shall have (2) delivered prior written notice of such proposed Transfer to the Agency, and (3) obtained HUD 2530 clearance, if required by HUD. The Operating Agreement may be amended to reflect such Exempt Transfers without the Agency's consent.

BOOKS AND RECORDS

13. All records, accounts, books, tenant lists, applications, waiting lists, documents, and contracts relating to the Development shall at all times be kept separate and identifiable from any other business of Borrower which is unrelated to the Development, and shall be maintained, as required by regulations or guidelines issued by the Agency from time to time, in a reasonable condition for proper audit and subject to examination during business hours by representatives of the Agency. Failure to keep such books and accounts and/or make them available to the Agency will be an Event of Default pursuant to Section 22 of the Mortgages.

ANNUAL FINANCIAL REPORT; REQUIRED DATA COLLECTION INFORMATION

14. (a) Within ninety (90) days following the end of each fiscal year of the Development, Borrower shall furnish the Agency with a complete annual financial report for the Development based upon an examination of the books and records of Borrower containing a detailed, itemized statement of all income and expenditures, prepared and certified by a certified public accountant in accordance with the reasonable requirements of the Agency which include: (i) financial statements submitted in Agency format; (ii) the financial report on an accrual basis and in conformity with generally accepted accounting principles applied on a consistent basis; and (iii) amounts available for distribution under Section 7 above. NO CHANGE OF DEVELOPMENT'S USE

17. NO DISCRIMINATION

18. (a) There shall be no discrimination upon the basis of race, color, creed, religious creed, national origin, sex, sexual orientation, age, ancestry, handicap or marital status in the lease, use, or occupancy of the Development (provided that if the Development qualifies as elderly housing under applicable state and federal law, occupancy may be restricted to the elderly in accordance with said laws) or in connection with the employment or application for employment of persons for the operation and management of the Development. Borrower or its management company shall, with respect to the Development, take affirmative measures to advertise for employment or contracts for goods and services, hire and promote employees, and enter into contract for goods and services in order to ensure compliance with Borrower's obligations under the Equal Opportunity Contract for Occupancy and Minority Business Development, executed by Borrower and the Agency in connection with the Mortgage Loans.

(b) There shall be full compliance with the provisions of all state or local laws prohibiting discrimination in housing on the basis of race, creed, color, religion, disability, sex, sexual orientation, national origin, age, or familial status, and providing for nondiscrimination and equal opportunity in housing. (c) Borrower shall take reasonable steps to ensure that persons with Limited English Proficiency (as defined by HUD in the guidelines referenced below) have meaningful access to the Development's programs and services (including application for occupancy). In furtherance of this requirement, Borrower shall develop and maintain a Language Access Plan in accordance with HUD guidelines ("Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficiency Persons," published at 72 FR 2732 (January 22, 2007), as the same may be supplemented, amended or otherwise modified from time to time).
